THE CANADIAN SHAARE ZEDEK HOSPITAL FOUNDATION

SAVING LIVES • DELIVERING LIVES • CHANGING LIVES

Endowment Campaign

Vision

At The Canadian Shaare Zedek Hospital Foundation, **we envision a future where every donation directly supports our mission**. Our goal is to build an endowment that sustains our operations, allowing 100% of donations to reach Shaare Zedek Medical Center in Jerusalem.

Endowment Plan

We invite 25 families to join us in this journey by committing to a $50,000 donation over 5 years. Through this collective effort, **we aim to bolster our endowment by $1.25 million**.

Why This Matters

As our endowment grows, it will eventually cover all administrative costs. This means **every dollar donated to Shaare Zedek Canada will directly benefit the hospital in Israel**. This sustainable model ensures long-term support for our vital healthcare initiatives that have a global impact.

About Shaare Zedek

As Jerusalem's fastest growing hospital in the region, Shaare Zedek responds to the needs of this uniquely diverse population. Shaare Zedek Medical Center is a major urban hospital treating over 1 million patients each year, by providing lifesaving and compassionate care. We treat patients of every race, religion, and nationality, by following a patient-centered approach.

Shaare Zedek is the model of co-existence, a haven where all who enter its doors are treated with dignity and respect. At its core, Shaare Zedek functions through a strong and diverse heart. The hospital operates with limited government funding and relies on our donors. **With your generous support, we can continue to do what we do best: Saving lives, delivering lives, and changing lives, every single day.**
